Intro: G C Am D7 D7

V1: G C Am D7 D7
 Amber called her uncle, said "We're up here for the holiday,
 G C Am D7 D7
 Jane and I were having Solstice, now we need a place to stay."
 G C Am D7
 And her Christ-loving uncle watched his wife hang Mary on a tree,
 Em C Am D7 D7
 He watched his son hang candy canes all made with Red Dye Number 3
 G C Am D7
 He told his niece, "Its Christmas Eve, I know our life is not your style, "
 G C Am D7 D7
 She said, "Christmas is like Solstice, and we miss you and it's been awhile."

Ch: G C Em D7
 So the Christians and the Pagans sat to-gether at the table,
 G C Em D7
 Finding faith and common ground the best that they were able,
 Em C Am D7
 And just before the meal was served, hands were held and prayers were said,
 Em C Am D7 G (vamp)
 Sending hope for peace on earth to all their gods and god-des-ses

V2: The food was great, the tree plugged in, the meal had gone with-out a hitch,
 Till Timmy turned to Amber and said, "Is it true that you're a witch?"
 His mom jumped up and said, "The pies are burning," and she hit the kitchen,
 And it was Jane who spoke, she said, "It's true, your cousin's not a Christian, "
 "But we love trees, we love the snow, the friends we have, the world we share,
 And you find magic from your God, and we find magic everywhere,"

Ch: So the Christians and the Pagans sat to-gether at the table,
 Finding faith and common ground the best that they were able,
 And where does magic come from? I think magic's in the learning,
 'Cause now when Christians sit with Pagans only pumpkin pies are burning ...

V3: When Amber tried to do the dishes, her aunt said, "Really, no, don't bother."
Amber's uncle saw how Amber looked like Tim and like her father
 He thought about his brother, how they hadn't spoken in a year,
 He thought he'd call him up and say, "It's Christmas, and your daughter's here."
 He thought of fathers, sons and brothers, saw his own son tug his sleeve, saying,
 ___ "Can I be a Pagan?" Dad said, "We'll discuss it when they leave."

Ch: So the Christians and the Pagans sat to-gether at the table,
 Finding faith and common ground the best that they were able,
Lighting trees in darkness, learning new ways from the old
 And making sense of history and drawing warmth out of the cold

Outro: G C Am D7 D7 End on G

Standard time - Each chord = 4 beats, except * = 2 beats - "Quick" Rock Strum

Intro: G C* G* C* G* D / G C* G* C* G* D* Em* / C* G* D* G G

V1: G C* G* G* C* G* D / G C* G* C* G* D* Em* / C* G* D* G G

Batten down the hatches, love, the night is rolling in
 The clouds are getting darker and you're scared of what they bring
 And you are searching the horizon for some sign, some little spark
 Of morning that will chase away the dark
 Heavy was the winter, love, and what's become of spring?
 This demon came and got its claws in every little thing
 Now there are miles and glass and distance that are keeping me a-part
 From the beating of your strong and steady heart

Pre-Chorus: And if it sinks, my darling then, just close your eyes, and think of when
 When you'll be in my arms a-gain

Chorus: There's a storm here to weather, the thunder's coming near
 Louder than ever and we don't know where to steer
 And though we can't be together, no matter what my dear
 I will love you for-ever and we will dance again next year
 I will love you for-ever and we will dance again next year

V2: This world is unfamiliar now, it's turned us all a-round
 A sailboat in a hurricane and nothing's bolted down
 And which-ever way you turn there is no sanctu'ry in sight
 No path to some safe harbour in the night
 But I am sailing right beside you, I am just out of arm's length
 Willing you remember you are wrought of iron strength
 And I am hanging my tomorrows on the bones of yester-day
 All I can do to make it through to-day

Pre-Ch: And when my heart sinks, my darling, then, I fill my lungs, and think of when
 When you'll be in my arms a-gain ...

Chorus

Bridge: So best foot first, and hold on fast ... do your worst, this too will pass
 And when it does, I'll be there to fill your glass
 And there's a storm here to weather (There's a storm here to weather)
 There's a storm here to weather (There's a storm here to weather)
 There's a storm here to weather (There's a storm here to weather)
 There's a storm here to weather ... (Tacit one bar)

Chorus

... (slow) I will love you for-ever and we will dance again next year
